

wherein wood chips or a water extract of wood chips is added to one of the step
for preparing the hot wort, the step for fermenting the cooled wort, or the fermented malt
beverage. - -

Remarks

The Applicants elect to pursue the species of claims 1-9 for examination.

The Applicants also submit herewith new claim 30 which is believed to be a
generic claim that reads on the invention of original claims 1-29.

A fee sheet has been attached for the fees due for the additional claim and the
extension. If any other additional fees are needed, please charge them to deposit
account 17-0055.

Respectfully submitted,

Dated: October 3, 2002
